A LETTER FROM THE EXECUTIVE DIRECTOR

Dear friends,

As we enter 2017, we begin our 40th year of serving the poor and the homeless. In October of 1977, the Ministry of Caring began that service to the poor by providing shelter to homeless women in Mary Mother of Hope House I at Eighth and Van Buren streets. We are most grateful to God and to you, our benefactors, for making this possible. For without you, we would never have been able to grow to meet the ongoing needs of the poor.

We have since founded 18 more programs: additional shelters, transitional and permanent housing, three Emmanuel Dining Room locations to feed the hungry, job training and placement, child care, medical and dental care, facilities for people living with HIV/AIDS, a distribution center, and permanent senior housing.

During these four decades, we have witnessed many miracles of people transforming their lives into self-sufficiency. We have seen many who are struggling with wicked addiction to drugs/alcohol become drug-free and sober. We have seen those who suffer from mental illness finally receive help by taking the medication they need to function in society once again. We offer a new beginning to those who want to escape domestic abuse.

We provide a dignified, safe, affordable home to seniors who for most of their lives have never experienced a decent quality of life. We have watched the innocent among us—the children—grow in knowledge and respect for themselves and others in our three child care centers. Countless men, women, and children are now living good and fulfilling lives in the community. Many are now our volunteers, benefactors, and employees, and several have served on our boards of directors. We are so proud of them!

The most untouchable disease since the 1980s has been HIV/AIDS. The miracle of science has conquered the symptoms of this terrible disease and many are living quality lives because of HIV/AIDS drugs. When House of Joseph II was opened in 1997, within the first couple years, 27 residents died. Today people come to House of Joseph II to live rather than to die.

Within these 39 years, the Emmanuel Dining Room has served nearly 7 million meals—this would never have been possible without Delaware’s 80 Christian churches, Jewish synagogues, Muslim mosque, Hindu temple, and business and civic groups who provide and/or serve the breakfast and noonday meals. We are honored and thankful that we have wide, ecumenical support for the hungry in Wilmington.

Forty years is a long time, and we have so much to be grateful for, but it’s sad to know that our work must continue. There are still hungry people—especially children—who need to be fed. Poor people are begging in the street, homeless people need shelter, ill people need medical and dental care, and sadly the list goes on.

We shouldn’t curse the darkness; instead we need to ignite the flame of hope and be attentive to the “least among us.” I am not afraid of the future because I live in a community where we care for the poor and where we can count on you.

Peace and blessings,

Br. Ronald Giannone, OFM Cap.

Many hear a call to help the homeless. Some answer that call with extraordinary passion.

We dedicate our 2016 Annual Report to Mary and Rocco Abessinio for their outstanding commitment to the Ministry of Caring. Their unflagging generosity has helped the Ministry in many and various ways. When we had a heavy, substantial debt, Mary and Rocco came to our immediate aid and paid it in full. Their compassion and benevolence was a true miracle of grace!

When the Ministry of Caring set forth to renovate the historic 1927 former St. Patrick’s convent at Fourteenth and French streets to create one central administrative building (previously spread among four locations in the city), the restoration demanded extensive architectural attention to historic detail for the external and interior structure as required by the State Historic Preservation Office. This resulted in higher than anticipated renovation costs. Again, we appealed to Mary and Rocco for support. They provided us with the remaining funds required to complete the work. We are extremely indebted to them for their extraordinary generosity and goodness.

In 2017, we will dedicate the garden adjacent to the Ministry of Caring’s newly created administrative building to the memory of Pio Abessinio and in honor of Mary Abessinio (age 99), Rocco’s parents.

OUR MISSION

We are committed to serving the ongoing needs of the poor by providing food for the hungry, emergency shelter, transitional and permanent housing for the homeless, job assistance for the unemployed, clothing and furniture for the needy, child care, residential services for people with HIV/AIDS, medical and dental services for the poor, and advocacy and outreach for the disenfranchised. It is our belief that the poor should never be treated poorly, but with love, dignity, and respect. All Ministry of Caring programs offer hospitality and friendship while striving to meet basic needs and help the poor attain self-sufficiency. Our staff and volunteers minister to the poor not only by offering them the necessities of life—food, shelter, and employment—but also by helping restore their sense of self-worth and hope for the future.

DEDICATION

Program director Annie Mountain responded to the article: “I cannot thank these women enough - for bringing encouragement, hugs, a meal to share, and time spent listening to their stories. This is how we care for one another! What wonderful role models for our women to spend time with! Gratitude is endless!”

December – Adults and children from the Stop the Violence Prayer Chain Foundation dropped off numerous toys at Hope House III, one of our shelters for women with children.

December – The children staying in MOC shelters were treated to a Christmas party courtesy of Guild President Jimmy Horty and Caroline Horty Dickerson. They visited with Santa and played games with the children.

December 17 – The young residents of Mary Mother of Hope House II & III were waiting for a bus to take them to Breakfast with Santa and gifts just for them, but the bus never arrived. With no luck contacting the bus company, New Castle County Chief of Police Elmer Setting promptly dispatched two officers to transport the children. In the end, all the children could meet with Santa.
When the Episcopal Cathedral of St. John, located at the corner of Concord Avenue and Market Street in the Old Brandywine Village section of Wilmington, closed in 2012, the cathedral needed a new purpose. In 2015, the Trustees of the Cathedral of St. John decided to sell the close to 2.5-acre property to the Ministry of Caring for $651,800, well below the asking price of $1.6 million, for the creation of the Village of St. John. The Ministry's goal is to convert the 158-year-old cathedral into 12 units, the Dean's house into five units, and to construct a new building to create 36 units, for a total of 53 units of affordable housing for low-to-moderate-income seniors 62 and older. We are grateful to the Longwood Foundation for the grant enabling the acquisition of this property.

In July 2016, Delaware State Housing Authority awarded Low-Income Housing Tax Credits (LIHTC), a major step forward in the Village of St. John's progress. This project received overwhelming support through the state general assembly ($2.5 million), federal and state historic tax credits, a $300,000 City of Wilmington grant, a $400,000 New Castle County loan, foundations and corporations, and a deferred loan from the Delaware State Housing Authority.

Settlement and groundbreaking are projected for late 2017. The Village of St. John is also projected to open to residents in 2019.

After long and significant construction delays, slow progress was made on Sacred Heart Village II in 2016. Consequently, we remained well behind the anticipated opening date of February 2016 for the 26-unit facility for very low-income seniors 62 and older.

Early Sacred Heart Village II staff were hired in anticipation of opening in 2017: Sr. Margaret Mary Graney, OSB, as Manager, and Maureen LaFate as Assistant Manager. During construction, we hired three security guards: Torris Portis, Victor Sanders, and Jamar Freeland, who will continue as security/doormen when SHV II opens in 2017.

The facility, located on Wilmington's east side at 625 East 10th Street between Kirkwood and Spruce streets, will provide safe, government-subsidized apartments for seniors.
At the end of 2016, the Ministry of Caring had 255 staff. Of those, 195 were regular staff members, including full- and part-time employees, pool staff, stipend employees, Lutheran Volunteer Corps and AmeriCorps members, House of Joseph Training Program participants, and 3 contract employees. This also includes 60 support staff members, including 17 Foster Grandparents, 6 from St. Francis Hospital, 17 from the National Able Network, 11 Capuchin Poor Clares, and 9 Permanent Volunteers.

Volunteers are the lifeblood of the Ministry of Caring. Hundreds of men, women, and children selflessly give their time and energy serving in our programs and fundraising events.

Mark Reardon spoke at the dedication of the Ministry of Caring Building, dedicated in honor of the late Mary and James Teoli.

- There were 355,212 people experiencing homelessness as individuals, accounting for 65 percent of the homeless population. Most (89%) were over the age of 24. Ten percent were between 18 and 24, and one percent were under the age of 18.

- There were 194,716 people in families with children experiencing homelessness, representing 35 percent of the homeless population. Of people in families with children, 60 percent were under the age of 18, 32 percent were over 24, and eight percent were between the ages of 18 and 24.
